APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the place of use of the waters of Moon River Springs as heretofore granted under Permit No. 11247 is issued subject to the terms and conditions imposed in said Permit No. 11247 and with the understanding that no other rights on the source will be affected by the change proposed herein. A substantial headgate and weir must be installed at or near the new point of diversion to facilitate the measurement and control of water. The State reserves the right to regulate the use of the water under this proposed change at any and all times.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use and not to exceed 5.0 cubic feet per second.

Actual construction work shall begin on or before July 7, 1952

Proof of commencement of work shall be filed before August 7, 1952

Work must be prosecuted with reasonable diligence and be completed on or before July 7, 1953

Proof of completion of work shall be filed before August 7, 1953

Application of water to beneficial use shall be made on or before

July 7, 1954. Proof of the application of water to beneficial use must be filed with State Engineer on or before August 7, 1954

Proof of commencement of work filed FEB 11 1952

Proof of Completion of work filed JUL 2 1953 WITNESS MY HAND AND SEAL this 10th day

PROOF OF BENEFICIAL USE FILED NOV 8 1954

of January, 1952

Certificate No. 4123 issued JAN 24 1955

Received Jan 25/55 by [initials] for 50
